**PRESS RELEASE**

**2/20/18 4:00 pm**

We are committed to public safety. In light of the recent Florida school shooting, along with the many previous mass shootings, we have partnered with the National "See Something - Say Something" program.

We will be sending out information by social media, reminding everyone, if you "See Something - Say Something."

We need your eyes and ears to help us in our quest for public safety.

If you see something suspicious, report it. There are many ways you can do that:

- Call 911
- Go to our website, [www.siouxcountysheriff.com](http://www.siouxcountysheriff.com) and learn how to use our anonymous "Text-A-Tip" program
- Download our Sioux County Sheriff App, which has an easy one click method to use "Text-A-Tip"
- Use the anonymous reporting method associated with our Nixle posts. The post provides easy instructions on using it.
- Report your information to any local law enforcement officer
- Report it to school authorities or a workplace supervisor
