VAPING SEMINARS

Community Health Partners of Sioux County in conjunction with the Sioux County Sheriff's Office is planning two seminars on the topic of vaping.

Western Christian High School in Hull, IA has invited Shay Davis, the Tobacco Prevention Coordinator for Community Health Partners of Sioux County and Teri Bos, a nurse with Community Health Partners of Sioux County, to speak on the topic of vaping and the dangers associated with it. School Resource Officer, Waylon Pollema, will talk about Iowa law as it pertains to vaping.

The two seminars will take place on Monday, April 3, at 9:00 a.m., and 7:00 p.m. The 9:00 a.m. presentation is a student presentation and the 7:00 p.m. is a parent presentation, but anyone who wishes to attend is welcome to attend either session.

The seminars will both take place in the Western Christian High School Event Center.
