## BACKGROUND CHECKS

The Sioux County Sheriffs Office can provide a criminal record check on persons arrested by our office or incarcerated in our jail.

- It does not include juvenile records or traffic record dispositions (which may be obtained from the Iowa Department of Transportation or Juvenile Court).
- It does not include records of other agencies. We suggest you check with other agencies in this area for possible additional information.
- This criminal records check does not include disposition information on any of the charges. It simply states that the individual was arrested and/or jailed.
- We caution your use of this information without full court disclosure on the disposition of each charge.
- See the "Fee Schedule" for cost estimate.
