SRO SHOWS STUDENTS A PATROL VEHICLE

On Friday, May 1, the Sioux County Sheriff's Office School Resource Officer (SRO), Deputy Waylon Pollema, displayed his patrol car to the 4th grade students at Hoppers Elementary School. The students enjoyed learning more about all the equipment and how it's used – the lights and siren are still a big favorite.

Several times throughout the school year Deputy Pollema is asked to participate in classroom activities at all seven schools he works in. Pollema said, "These kids thoroughly enjoy getting to know a law enforcement officer on a more personal level; it means so much to them to actually see, up close, how we work, what we do and how we use vehicles and other equipment in the performance of our jobs."

As the school year is coming to an end the Sheriff's Office would like to thank all the participant schools of our SRO program. We look forward to working with them again in the 2015-2016 school year.
