## DIVE TEAM EARNS CERTIFICATION

On Sunday, June 17, the Sioux County Sheriff's Office Dive Team participated in training to further enhance their service to public safety in Sioux County.

Keith Cormican, of Wazee Sports in Black River Falls, WI, instructed the team to provide them certification for wearing a full-face mask. The masks allow divers to have two-way communication while they are under water with fellow team divers as well as to a safety officer on the surface. This option greatly enhances both safety for the divers and efficiency for conducting underwater search and rescue.

The training took place at the Sandy Hollow Campground.

Sioux County Sheriff's Office Dive Team coordinator, Lt. Jason Bergsma said, "We thank Cormican for making the trip to Iowa to share his knowledge with our team. We also thank the dive team members for giving up part of their Father's Day Sunday and making the commitment to be part of this team."
